

LTC Summit @ Biltmore

October 1 - 2

Exhibit & Sponsorship Prospectus

GPM, Inc. is a software solution and services company devoted to the support of Long Term/Post-Acute Care (LTPAC) medical practices.

Our focus on solving LTPAC's unique problems has made us the market's leading provider of medical EHR solutions. GPM serves more than 6,100 users, covering over 8,000 facilities and reports more than 3 million encounters annually.

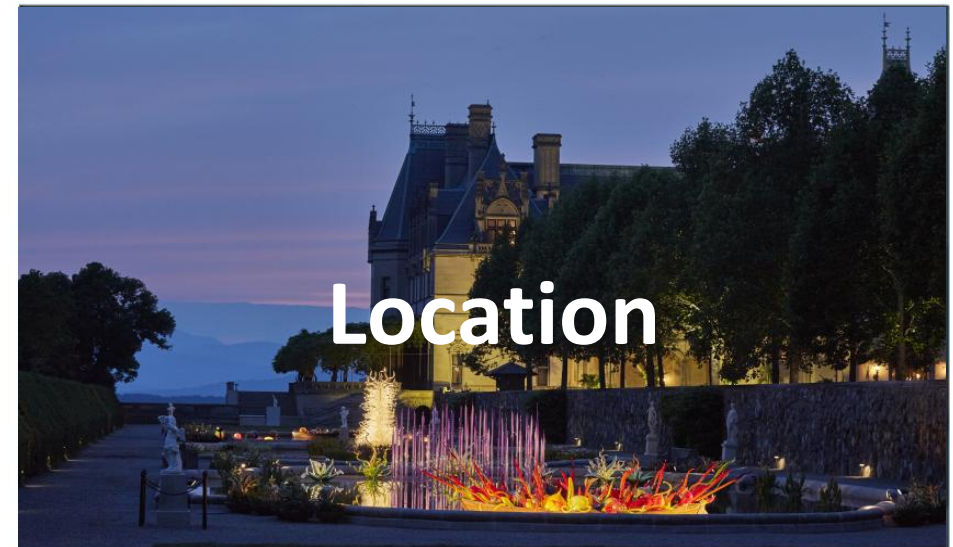

Why Sponsor or Exhibit with GPM?

Interact with experts on EHR advancements, care management, care coordination, policy updates, and health information exchange solutions.
