QM Search

The QM Search, when accessed from the Search window, will now display results for clinicians.

The screenshot shows the 'Eligible Patients for Quality Measures' search window. The search criteria are: Start Date 01/01/2017, End Date 12/31/2017, and Quality Measure 110: Preventive Care and Screening: Influenza Immunization. The results table lists patient information and the number of eligible encounters.
