

## **July Release Notes – 08/21/2018**

### **Feature Enhancements**

#### **Logo**

The GEHRIMED logo has been updated:

#### **Vitals**

Users may now enter Vitals details in the GEHRIMED Windows launcher using Dragon Voice Recognition software.

#### **Log in issue**

When a user is auto-logged out of GEHRIMED for inactivity, they will no longer have to restart the launcher to log in.

#### **Calendar**

The Calendar will no longer crop unexpectedly.
